ABOUT TRADITIONAL MEDICINE 2025

Traditional Med 2025 is a landmark event in traditional and integrative medicine, uniting practitioners, researchers, scientists, and industry leaders to explore the latest advancements in traditional healing and holistic health. The conference will spotlight key areas such as herbal medicine, ayurveda, traditional Chinese medicine, indigenous healing practices, needle therapy, and the growing role of integrative medicine in modern healthcare. Key discussions will focus on innovative therapeutic approaches, the development of advanced herbal formulations, and the adoption of sustainable practices in the production and application of traditional medicines. Attendees of Traditional Med 2025, whether in-person in Rome, Italy, or online from June 5-7, 2025, can look forward to gaining cutting-edge insights into enhancing the efficacy of traditional remedies and promoting eco-friendly solutions in holistic healthcare.
