ABOUT US

Magnus Group proudly welcomes one and all to its distinguished hybrid event **“6th Edition of International Conference on Traditional Medicine, Ethnomedicine and Natural Therapies” (TRADITIONAL MED 2024)** which will be taking place during **June 20-22, 2024** in the magnificent city of Paris, France and virtually on the theme **“Navigating the Future of Healthcare and Humankind Through the Healing Power of Nature.”** Traditional Medicine, Natural Therapies and Ethnomedicine’s core goal is to consolidate the underpinning Alternative Medicine research platforms in order to meet the issues of creating a better, more sustainable, and economical system for medication and health. These areas require in-depth knowledge from researchers and experts. This Traditional

Medicine conference will include a wide range of academic disciplines in natural products, with an emphasis on the discovery of natural products from natural sources to clinical applications, in order to attract researchers, scientists, academicians, pharmacists, healthcare professionals, homeopathy, unani, natural therapies practitioners and individuals working in traditional and alternative medicine. Keynote addresses, plenary talks, invited lectures, oral presentations, poster presentations, workshops, exhibitions, and panel discussions are all part of the programme. The global summit has established itself in the past couple of years as a fabulous event that brings together a unique and global mix of delegates, driving colleges and institutions, making it an ideal setting for sharing expertise, encouraging global collaboration, and revealing advancements in Natural Therapies, Traditional and Alternative Medicines. The goal of TRADITIONAL MED 2024 is to provide a platform for all researchers to communicate their expertise and research findings in order to assist the need to learn about the efficacy and safety of herbal, traditional, and alternative medicine in keeping the people healthy. We cordially invite you to participate in TRADITIONAL MED 2024 to gain a better understanding of current natural science research.
